PROFESSIONAL SUMMARY

Passionate software engineer equipped with technical abilities and decisive nature necessary for successful job development. Expert in gathering requirements, designing systems and optimizing code. Focused and adaptable skills at various positions to meet company and customers' needs.

EDUCATIONAL BACKGROUND

Feb 2023   : **MORINGA SCHOOL**.

Graduate in Software engineering

2019 – 2022 **: KENYATTA HIGH SCHOOL**

Award   Kenya Certificate of Secondary Education.

2009 – 2018   : **KIAMUYA PRIMARY SCHOOL**

Award   Kenya Certificate of Primary Education.

WORK EXPERIENCE

2023:   Software engineer

- Built responsive and user-friendly interfaces, integrated APIs and implemented server-side functionalities to deliver robust web applications
- Maintained product quality by analyzing feedback, managing integration and performing continual tests
- Developed rich clients solutions for application with latest technologies
- Adhered to best practices and coding standards to develop high quality software solutions using programming languages
- Participated in stand ups ,sprint planning ,and retrospectives to drive smooth project execution
- Collaborated with engineering team members to optimize software interfaces and architecture

➢ Coordinated successful deployment of new software applications and checked functionality against design specifications
➢ Conferred with data processing or project managers to obtain information on limitations or capabilities for data processing projects
➢ Corrected errors in software to fix performance issues and improve usability

SKILLS

➢ Software Development
➢ Application Programming
➢ Code Debugging
➢ Update Software
➢ Collaboration
➢ Teamwork
